# International Arbitration Certification

October 16 - 20<sup>th</sup>, 2018

Our international arbitration certification course will provide both a knowledge and an appreciation of commercial arbitration and its role within the global legal landscape. It offers the theory of arbitration law and practice with emphasis on the procedures of arbitration, both ad-hoc and institutional, and offers the practical side with a focus on drafting of arbitration agreements and awards. It will also explore the art of drafting dispute resolution clauses appropriate to the parties' business needs and dispute resolution desires. This is the perfect course to either get your arbitration career rolling or to expand or perfect your existing knowledge as a practicing arbitrator or legal academic

Upon completion of this course, participants will :

- Gain a solid foundation for participants to represent in commercial arbitration as an Arbitration Lawyer / Consultant and as an Arbitrator
- Have confidence in their reliable and correct understanding of the knowledge and practice in international standards
- Be eligible for empanelment as a Arbitrator with our partners, subject to the individual norms of enlistment
